

3.00pm CET/8.00am CST: Test & Upload

Connect up to Portal at <https://194.47.129.66:8001>

Then click on Delta Bredband+

Upload whiteboard and test it

Emergency 'numbers'

Peter Blaschke's cellphone number: 070-811 3873

David on 070-679 5792, Gizmo (davidrichardson) & iChat AV

Bryan on Gizmo (bcmini753) & iChat AV

4.15/9.15 - 4.25/9.25: Handover & Introductions

Monica E Nilsson introduces session

David and Kalmar

Bryan and CMSU

Collaboration on Writing Course/Composition Course since 2003

No such thing as an interruption

Specifically-allocated time for questions after 30 minutes

4.25/9.25 - 4.35/9.35: Brief History - Team Blogs

1. Using Blackboard

Voluntary basis - limited numbers - difficulty of getting User IDs

2. Team Blogs

Full-class basis - ease of set-up

Individual blogs

Show minimsft.blogspot.com

one-person operation - personal views

Team blogs

Several participants - varying privileges

Show convcomp.blogspot.com

4.35/9.35 - 4.45/9.45: Podcasting

What podcasting is

'pushed' broadcasting via Internet

1 min = 1 MB: 15 min podcasts good both technically and pedagogically

Production time = speaking time + 15 minutes

Instantly available to students

Show David's podcast page visual

'One-stop' programmes now available for podcasting

Both of external and internal servers

Bryan: Audioblogging

4.45/9.45 - 5.00/10.00: Questions, Comments & Rounding off

Questions from audience

Description of response from students to both blogging and podcasting

"It's great to be able to press the Pause button on the teacher"

Experiences from CMSU students

Brief account of American Educational Research Association presentation in April
